2017 Waitara Church Evangelistic Series

Just 29 days to go! This special series entitled, "Finding Answers for Our Future" will re-address the question of faith at a time when the world is fast spiralling into an uncertain future. Unstable global politics, terrorism and increasing rates of brazen crime have greatly reduced the sense of peace and prosperity once enjoyed among many Australians. The freedoms associated with western cultures such as Australia, and enjoyed by all peoples, are stealthily being undermined. Never has the Bible's distinctive truths been more needed, but how few read or understand this book correctly. The Bible topics presented will cast tremendous light on current events, revealing just what's taking place behind the scenes and how close we are to the second coming of Jesus Christ. Join us with family and friends as we journey together and discover the assurances of a loving God who is concerned about our future.

Passing - It is with regret that I wish to inform you that our dear brother-in-Christ, Conrad Avedikian, has peacefully passed away. Conrad was not a regular attendee or member of our church (largely due to poor health), but would often join us long enough to enjoy some fellowship and food at lunchtime. Please remember his family in your prayers.
