ADRA Appeal "For Christ's love compels us, because we are convinced that one died for all, and therefore all died." 2 Corinthians 5:14. The Adventist church around the world is like a family. To help grow that family, you have the opportunity this year to make a real difference with the ADRA Appeal, which is more than just door-knocking. There are so many things you can do to raise money and awareness about ADRA's work in Australia and around the world. Because of Jesus' sacrifice, we are compelled by love to serve others and help those in need experience a life of love and transformational change; it is possible to make the world a brighter place. By taking part in the ADRA Appeal this year, we can be a light in our community. It's our chance to let the world know that we care! Thank you for joining with thousands of other Adventists around the country to support the ADRA Appeal from October 1 to the 31st!

Lunch October 14 - James & Diane Hope & Team

Evangelism Follow-up Study Group Series (Wednesday Nights) - What a joy it has been to share our series, "Finding Answers for Our Future" with church members and our broader community. We have had approximately forty beloved community members join us in the course of this series. Please join us here each Wednesday at 7:30pm as we continue our follow-up Bible study series. Resources will be freely provided. Please join us for our weekly prayer meeting at 7pm before the Bible study.

Contact Details Update - The Church is in the process of updating contact details for members. If you have recently changed your address (residential or email) or telephone number or we simply do not have your contact details, we'd love you to update your details by filling in the Contact Details card that will be given to you beginning today, 7/10/2017. We would appreciate receiving the cards back immediately or by 14/10/2017. Please return the card to the Elder/Shepherdess who handed it to you or place it in the offering bag. Thank you for your help.

SOP Thoughts - We are not called upon to enter into controversy with those who hold false theories. Controversy is unprofitable. Christ never entered into it. 'It is written' is the weapon used by the world's Redeemer. Let us keep close to the Word. Let us allow the Lord Jesus and His messengers to testify. We know that their testimony is true. – *Medical Missionary p.97*
