

SABBATH DAY, 6th January 2018

Sprit of Prophecy

The gospel we present for the saving of souls must be the gospel by which our own souls are saved. Only through a living faith in Christ as a personal Saviour is it possible to make our influence felt in a sceptical world. If we would draw sinners out of the swift-running current, our own feet must be firmly set upon the Rock, Christ Jesus.” – Help in Daily Living p7.2
