A Message from the Pastor

COVID-19 is affecting far more people than it is infecting.
I have never seen the phrase "conspiracy theory" as much as I have the last couple of months in light of the current COVID-19 pandemic.

Even in the Christian communities...

"Christianity Today" recently released an article warning Christians that "gullibility is not a spiritual gift."

And I agree, it may obscure known duty and we may lose sight of our calling, which is;

"The duty and delight of all service is to uplift Christ before the people.

This is the end of all true labor.

Let Christ appear; let self be hidden behind Him.

This is self-sacrifice that is of worth".

GW 485.

May God bless you
