Pastor's Comment

As of this writing, the 2020 presidential election is undecided.

On January 27, 1838, in one of his first major speeches, Abraham Lincoln said about; "The perpetuation of our (American) political institutions."

He stated; "At what point then is the approach of danger to be expected?"

I answer, if it ever reach us, it must spring up amongst us.

It cannot come from abroad. If destruction be our lot, we must ourselves be its author and finisher.

As a nation of freemen, we live through all time, or die by suicide."

What Abraham Lincoln was saying is this: -Our greatest enemy is from within, not from with-out-

And so it is with all of us.

This political crisis is an opportunity for the gospel.

Only if our vote is given to Jesus Christ, will we prosper, individually, nationally and internationally.
