From The Pastor's Pen

Became.

The dictionary defines **became** as a verb; the simple past tense of **become**. Below are samples of how this verb may be used:

1. **look good on** (of clothing) or **suit** (someone); example - "mourning regalia **became** her"
2. **begin to be**; example in the re-telling of Jesus' birth, note - "In the days of Herod, King of Judea, Mary **became** pledged. Plans **became** known. Elizabeth **became** joyful. Census **became** law. Travel **became** necessary. Travel **became** long. Travel **became** hard. Rooms **became** full. Shepherds **became** terrified. God **became** flesh and dwelt among us."

We know Jesus was not born in December but it's the season when people's thoughts turn to the Biblical story of Jesus' birth two thousand years ago when God came to dwell among us, fulfilling His promise to send us the One who would save us from our sins.

In response to such grace, may our hearts begin to be; i.e., **become** full of gratitude to God and love for our fellow men.
