## From the Pastor's Pen

### ***The miracle of the feeding of the 5000 men, plus women and children (John 6:1-13)***

#### ***Three considerations:***

1. The disciples had been empowered to perform miracles just prior this event (Luke 9:1-6) and had just returned from their mission.
2. But feeding the crowd still seemed to the disciples to be beyond their abilities and of the ability of Jesus.
3. But Jesus commissioned them "you feed them".

There was a need and the disciples were directed to attend to that need, namely "feeding the people". As we are His disciples and the commission still stands today, physically and spiritually.

#### ***Main object-lessons:***

1. Limited resources plus Jesus equals more than enough.
2. Never expect to feed the crowd in your own power.

***We should look at this story, not as observers, but as students.  
May God bless us, as we do.***
