This Week's Reflection

Invitation to discipleship

Jesus said, "Come to me, all who labour and are heavy laden, and I will give you rest. Take my yoke upon you . . . For my yoke is easy, and my burden is light".

This is the answer to the endless pursuit of our self-defined goals which is what he wants us to avoid. It's only when we accept His yoke and allow Him to steer us toward the goals He desires, that we can find real peace and the ability to adapt with our circumstances, rather than try to make them adapt to us.

The invitation to discipleship includes taking the "yoke" of Jesus.

All mankind bears many heavy burdens, the heaviest of which is sin.

Those who come to Christ do not cease to work, but instead of laboring "for the that which perishes, they labour" for that which endures unto everlasting life.

Taking His Yoke means; submit to the discipline and training of His way of life.

By "my yoke" Christ meant His way of life.

He who truly loves Christ will delight to do His will and will find the "rest" of soul He has promised.

This is happening at Waitara!
