This Week's Devotional

Exercise Authority With Humility - It is no evidence of manliness in the husband for him to dwell constantly upon his position as head of the family. It does not increase respect for him to hear him quoting Scripture to sustain his claims to authority. It will not make him more manly to require his wife, the mother of his children, to act upon his plans as if they were infallible. The Lord has constituted the husband the head of the wife to be her protector; he is the house-band of the family, binding the members together, even as Christ is the head of the church and the Saviour of the mystical body. Let every husband who claims to love God carefully study the requirements of God in his position. Christ's authority is exercised in wisdom, in all kindness and gentleness; so let the husband exercise his power and imitate the great Head of the church.
