This Week's Devotional

"And do this, knowing the time, that now it is high time to awake out of sleep; for now our salvation is nearer than when we first believed. The night is far spent, the day is at hand....put on the Lord Jesus Christ...." Romans 13:11,12,14

We are certainly living in momentous times! This week has marked an historic event with the global religious leaders coming together in Rome with Pope Francis to sign an urgent joint appeal to add their voice to next month's UN Climate Change Conference (COP26) to offer concrete solutions to save the planet from "an unprecedented ecological crisis." A "Green Sabbath" or "Climate Sunday" could be proposed as a solution to save the world.

"Enoch walked with God three hundred years previous to his translation to heaven, and the state of the world was not then more favourable for the perfection of Christian character than it is today. And how did Enoch walk with God?" He educated his mind and heart to ever feel that he was in the presence of God and when in perplexity his prayers would ascend to God to keep him.

He refused to take any course that would offend his God. He kept the Lord continually before him. He would pray, "Teach me Thy way, that I may not err. What is Thy pleasure concerning me? What shall I do to honour Thee, my God?" Thus he was constantly shaping his way and course in accordance with God's commandments, and he had perfect confidence and trust in his heavenly Father, that He would help him. He had no thought or will of his own. It was all submerged in the will of his Father.

Now Enoch was a representative of those who will be upon the earth when Christ shall come, who will be translated to heaven without seeing death.- " 1 SAT32(1886)

Keep looking up fellow pilgrim, the night is far spent and the day is at hand....
