## Pastor's Comment

*Last year, a bidder paid \$98,000 to see Mona Lisa up close and without the barriers and thick layer of bulletproof glass that protect this iconic painting from the thirty thousand visitors she attracted per day pre-pandemic.*

*Once a year, the painting is taken down from its display and examined by conservation experts. The bidder won the right to be present for this event.*

*Think of paying that much to be close to a portrait of a deceased woman painted by a deceased man. While Leonardo was obviously brilliant, his genius pales in comparison to the One who is "the wisdom of God", that is Jesus, the "True Witness", our Lord and Saviour.*

*As He will appear soon, there will be no barrier in between Him and us and it will be for free..!*
