## Message synopsis

As America celebrates its 250th anniversary of Independence, we are reminded of far more than a routine national holiday. It is a living reminder of God's hand in history. As we look to the future, let us honour this profound 250th year legacy by standing firm for truth, searching the scriptures, loudly proclaiming the 3 angel's messages, knowing that the prophetic time is fast approaching where church and state will reunite and all will be tested as to whom they will serve.
