Beyond Counterfeit - The Search for the Real Thing
 Few experiences are as soul-destroying as falling victim to a scam. "How could I be so stupid?" we ask ourselves. In the great cosmic conflict, humankind bought into a scam about God's intentions and character. Who would have thought that selling such a giant counterfeit could be so easy? The story of how humankind was hoodwinked into the biggest con of all ages is true, and had devastating consequences. It used distortion and deception to beguile us. We only see beyond the counterfeit when we recognise the real thing. You are all invited!
