The World's Debt to Mothers *Cont.....*

The day of God will reveal how much the world owes to godly mothers for men who have been unflinching advocates of truth and reform—men who have been bold to do and dare, who have stood unshaken amid trials and temptations; men who chose the high and holy interests of truth and the glory of God before worldly honor or life itself. Mothers, awake to the fact that your influence and example are affecting the character and destiny of your children; and in view of your responsibility, develop a well-balanced mind and a pure character, reflecting only the true, the good, and the beautiful.
