This Week's Reflection

We're almost half way through 2022 and even though the pandemic hasn't been constantly on the news like the previous 2 years, it doesn't mean that it isn't there. It is like society wants to get over it like the flu, just something that we got to live with. But, unlike the flu we know the severity of this virus, people are still wearing masks (not that there is anything wrong with that). There is at the back of our mind whenever we're in public that any one of them could have the virus.

But find comfort and faith in Jesus, knowing that in Him, whether in sickness or in good health, we can find strength to get us through the good and the bad days. Because ultimately, whenever we try to do things our way and don't put our faith in Him it is pointless, but when we put our faith and trust in Him, well, I will let Jeremiah sum it up: "For I know the plans I have for you," says the LORD. "They are plans for good and not for disaster, to give you a future and a hope." (Jeremiah 29:11)

This is happening at Waitara!
