Sermon Blurp

In our personal life and society, we are faced with chaos. This was highlighted even more with a world-wide pandemic of Covid. How do we find meaning in the midst of this chaos? Meaning is found in the person of Jesus. Just like Jesus interrupted the sanctuary service by chasing the money changers away, God interrupts our lives in order to restore us. Jesus' interruptions is His restoration.

This Week's Reflection

"Jesus is Coming! Get Involved!"

Even though pandemic restrictions have been placed on millions of people causing uncertainty and even panic, as Seventh-day Adventists we can be anchors of stability and pillars of hope pointing people to the Master Physician who can provide for all our needs and Who is coming soon! After this crisis, many people will be ready to hear about Bible truth, the love of Christ, and His soon return.

Appropriately, the theme for this 61st General Conference Session (6-11 June, 2022)—"Jesus is Coming! Get Involved!"—reflects the Advent hope in a soon returning Savior, and the urgency of Total Member Involvement (TMI), everyone doing something for Jesus in winning souls for Him!

Leading up to this Session, let's keep in mind that, "The work of God in this earth can never be finished until the men and women comprising our church membership rally to the work and unite their efforts with those of ministers and church officers." (Testimonies for the Church, vol. 9, p. 116).

As we look forward to this Session, let's pray together for God's leading in a marvellous way as we plead for the outpouring of the latter rain of the Holy Spirit in anticipation of the soon second coming of Jesus Christ.
