Sermon Blurbs

The sermon seeks to encourage the church from making the prophetic text an end in itself. So we look at the prophetic text of Mat 24 and wonder what the prescription to the disciples was.

The three parts

1)The prophetic prediction.

2)The method and the equipping.

3)The Prescription: the desired course of action.

This Week's Reflection

Despite the clear command of God to drive all the Canaanites from the land the people of Manasseh and Ephraim did not do so. (Deuteronomy 20:16-17)

Both tribes clearly thought they could manage the Canaanites in their midst and even use them to their ends as slaves.

However the idolatry and immorality of the Canaanites left in the land grew to affect and infect the Jewish people, leading ultimately to the destruction of the ten northern tribes and the captivity of the two southern tribes.

We must not compromise with the "Canaanites" in our "land."

Satan wants us to think that sin is serving us, when we are actually serving him.

However, if we see sin for the deadly malignancy it is, each time we are tempted by moral compromise we will turn instantly to our Lord.

And we can claim "the victory that has overcome the world—our faith" (1 John 5:4).

This is happening at Waitara!
