Sermon Blurp

Being busy means being engaged in activity. Too busy is a relative term, meaning we have prioritised certain activities above other activities. Question, where does our service to God fit in ?

This Week's Reflection

When distorted thoughts roam free and reign, they congeal in a lethal injection of condemnation. The Bible says to take captive every thought (2 Corinthians 10:5). So, we have to ask ourselves, What are we thinking?

It's impossible to control all the thoughts that bounce into our brains every day, but we can intentionally choose to clear out the critical thoughts heaping shame and guilt upon us. Those are never from God. The Holy Spirit will convict us to confess and turn away from sinful behaviour, but God's love for us remains unchanged. The Creator of the Universe reminds us, "For it is by grace you have been saved, through faith - and this is not from yourselves, it is the gift of God - not by works, so that no one can boast." (Ephesians 2:8-9)
