Message blurb

Have you ever lied to yourself? What about a half truth? The Bible is full of examples of people that believed a lie. From the garden of Eden to the Apostle Peter. For some it was their downfall. Others were able to be redeemed. What made the difference? "Telling Yourself the Truth," takes you on a journey through various Bible characters, as we explore a problem we all have, as fallen human beings. The Good News is that Jesus can help each one of us to turn. We are told in Romans 12:2, "do not be conformed to this world, but be transformed by the renewing of your mind..." Stop descending in a downward spiral, and look to the Saviour for help today!
